

## Volkswagen - ID.3 (E11)(06.2020->), Life Pro Performance

### Fahrzeugdaten

Amtl. Kennzeichen		DAT Europa-Code®	<b>01 905 153 017 0001</b>
Hersteller	<b>Volkswagen</b>	Typ	<b>Life Pro Performance</b>
Typvariante	<b>Elektromotor 150 kW (cont. 70 kW) Karosserie: 5-türig Getriebe für Elektrofahrzeug</b>		

### Ausstattungen

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | - Performance Upgrade
- Pro Performance
- Radioempfang digital (DAB+)
- Radvollabdeckungen / Radzierblenden
- Reifen-Reparaturkit
- Reifenkontroll-Anzeige
- Rücksitzlehne geteilt
- Scheibenwaschdüsen heizbar
- Scheibenwischer mit Regensensor
- Scheinwerfer LED inkl. Automatische Fahrlichtschaltung
- Seitenairbag vorn mit Center-Airbag und Kopf-Airbag-Einheit
- Service-Paket: Fahrzeug Garantieverlängerung (Kundenangabe erforderlich)
- Servolenkung elektro-mechanisch und geschwindigkeitsabhängig
- Sicherheitsgurte vorn mit Gurtstraffer
- Sitz vorn links höhenverstellbar
- Sitzausstattung: 5-Sitzer
- Sitzbezug / Polsterung: Stoff Fragment
- Sitzheizung vorn
- Sonderlackierung Makena-Türkis Metallic
- Sonderlackierung Mondsteingrau
- Sonnenblenden mit Spiegel (beleuchtet)
- Sprachsteuerungs-System
- Textilfussmatten
- Verbandkasten und Warndreieck
- Warnanlage für Sicherheitsgurte vorn und hinten
- Wegfahrsperre (elektronisch)
- Winterbereifung zusätzlich (Kundenangabe erforderlich)
- Wärmeschutzverglasung grün getönt (seitlich / hinten)
