

## Renault - Megane III Lim. 5-trg. (10.2008->), Dynamique

### Fahrzeugdaten

Amtl. Kennzeichen		DAT Europa-Code®	01 720 111 006 0005
Hersteller	Renault	Typ	Dynamique
Typvariante	Motor 1,9 Ltr. - 96 kW dCi Diesel FAP Karosserie: 5-türig Getriebe 6-Gang		

### Ausstattungen

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
